

Spay, Neuter, or Adopt From A Shelter!

Christmas Foster Info

Thank you for your interest in participating in our “Christmas in the Shelter is No Place to Be Program”. I hope we can give some of these animals a chance to experience a Home 4 the Holidays by working together. Please read the following information about this foster opportunity.

Many of you have asked what animals will need fostering. We really have no way of knowing, because our hope is that as many as possible will find forever homes before Christmas Eve. Watch the website to see what animals are currently available and watch for your faves!

Pick up for the Christmas foster program will be on Saturday, December 22rd between 2 and 3pm. If there is a conflict with this time, special arrangements may be considered. All foster animals need to be returned on Wednesday, December 26th between 9am – 12pm unless other arrangements are made in advance. Each foster is required to leave a deposit equal to the adoption fee of the animal that is being fostered. Failure to return the pet will result in a forfeiture of the deposit, which will be considered the adoption fee for that pet.

Please sign and date that you agree to these terms by December 21st, 2011.

You may return your signed agreement by email or fax. It will come directly to my office if you fax it to 812-981-3773. Email: nafcpetpointers@yahoo.com.
